

# Icing on the Cake

Anthony Hamilton

Come over here  
You know I've been waiting for you  
To come on over here, girl  
Stop playin'

Gonna take all that time  
For you to come over and talk to me  
Don't be afraid  
Don't be afraid

Come over here, whisper in my ear  
Tell me something sweet, my love  
While I hold you close  
I want you near, don't be afraid  
All the plans I made, can I propose a toast?

Here's to you  
Any and every little thing  
And what you mean  
I'm in love with you

I thank the Lord above  
For sendin' me your precious love  
You're what I want  
I can't wait another day

Baby, I can't wait  
For another day  
Why don't you come on through?  
I wanna be close to you

You're the icing on the cake  
A special holiday  
Since I laid eyes on you  
I knew you were the one

It was alright  
The very first time that we kissed  
Off the coast of L.A.  
On my way to North Carolina

You reminded me  
Of a sweet serenade  
As the music played  
You sent me sailin' higher and higher

Here's to you  
Any and every little thing  
And what you mean  
I'm in love with you

I thank the Lord above  
For sendin' me your precious love  
You're what I want  
I can't wait another day

Baby, I can't wait

For another day  
Why don't you come on through?  
I wanna be close to you

You're the icing on the cake  
A special holiday  
Since I laid eyes on you  
I knew you were the one

Baby, I can't wait  
For another day  
Why don't you come on through?  
I wanna be close to you

You're the icing on the cake  
A special holiday  
Since I laid eyes on you  
I knew you were the one

Baby, I can't wait  
For another day  
Why don't you come on through?  
I knew you were the one

You're the icing on the cake  
A special holiday  
Since I laid eyes on you  
I knew you were the one

You are everything I want and more  
I'm in love  
I never felt this way before, before  
You are everything I ever wanted and more

Hey man, what's happenin'?  
Ain't nothin'
