

# Sailin Away

Anthony Hamilton

Woke up this mornin'  
Looked out the window and saw  
Everyone playing  
Playing basket some ball  
Travelling freely  
Ran out to join them as one  
Seemed to be so much fun

All day I dream  
I dream of winnin'  
All day I dream  
I dream I'm sailin' away  
Sailin' away

Well, had on my favorite shoes  
Helped me to play so long  
The sun started goin' down  
Ended like a breeze  
I can go day and all night  
I'm game and feelin' alright  
Tryin' to tell you  
That you're my victory  
Sailin', sailin', sailin'

All day I dream  
I dream of winnin'  
All day I dream  
I dream, I'm sailin' away (I'm dreamin' I can sail  
away)  
Sailin' away

Woo, would you love to ball  
Ooo, havin' fun and all  
Ooo, Sky gettin' over the rim  
I'm game on you  
Ooo, be it one on one  
Ooo, on circle boulevard  
Ooo, Posted I've gotta go  
I'm checkin' out you  
I'm checkin' out you

All day I dream  
I dream of winnin'  
All day I dream (All day)  
I dream of sailin' away (I'm thinkin' 'bout you)  
Sailin' away (hey)

All day I dream (well)  
I dream of winnin' (I keep on dreamin')  
All day I dream (we can be playin')  
I dream of sailin' away  
Sailin' away

Woo, good God almighty  
Ooo, good God almighty  
Ooo, tell me  
Ooo, ohhhh

Wooo, good god almighty  
Ooo  
Somebody help me talk about it  
Havin' fun one on one (you)

All day I dream  
I dream of winning (Dreamin' about you)  
All day I dream  
I dream of sailin' away (Hey)  
Sailin', sailin', sailin'
