you and me holdin' hands talkin' family
that southern thing I like

it's like after school leanin hard cause
I'm into you, barbeque, I'll even open the door for you, I know

Sweet southern thang, pretty skin half picked
and when you grin that's when all life begins,
cool like a fresh breeze, ooh please come with me,

oblidged to make your acquaintance,
you're full of substance, and ohh girl I love it

You're like a cadillac
cool breeze in the 70's
you and me holdin' hands talkin' family
that southern thing I like
you got that southern stuff I like
