

# Writing on the Wall

Anthony Hamilton

People talking 'bout how you runnin' 'round,  
Wyllin' out, how you been livin' life  
Said you steppin' out  
I tell you, I just can't complain  
Got me feeling good, girl you feed me good  
They've got you misunderstood  
I'm wish a nigga would try and mess up everything

See the writing on the wall,  
I'm too afraid to call, I don't wanna listen  
I don't wanna listen no, no  
People talking everywhere,  
When the smoke begin to clear  
I don't wanna listen, but I hear...

They call you Hollywood, Mrs. Hollywood  
Tarnish your name and drag it out through the hood  
I don't wanna go, paddelin down this dusty road  
Mind your business, if she ain't or if she is, I don't wanna know  
I'm gonna keep holding on

See the writing on the wall,  
I'm too afraid to call, I don't wanna listen  
I don't wanna listen no, no  
People talking everywhere,  
When the smoke begin to clear  
I don't wanna listen, oh but I hear

Everything  
It's alright, it's alright, it's alright...  
I don't wanna hear that  
It's my life, it's my life...  
And I'm grown  
It's alright, it's alright, it's alright baby  
It's my life...  
Cause I'm grown

See the writing on the wall,  
I'm too afraid to call, I don't wanna listen  
I don't wanna hear nothing, nothing, nothing from no one  
People talking everywhere,  
When the smoke begin to clear  
I don't wanna listen, I don't wanna hear a thing no

See the writing on the wall,  
I'm too afraid to call, I don't wanna listen  
I don't wanna hear it, hear it, hear it  
People talking everywhere,  
When the smoke begin to clear  
I don't wanna listen

I don't wanna listen  
To nothing from no one
