

## A.D.I./Horror of It All

Anthrax

It's just to damn easy, to die in this life  
Who's making the dicisions?  
Tell me, who's got the right?

WOH, OH, OH, My grief turns to anger  
WOH, OH, OH, It's time to...

Say good bye, It's a horror  
Memories,  
Nothing's harder  
I know that there's no answer,  
I mean what'd I expect  
So many unanswered questions  
I can't believe I can't accept

WOH, OH, OH, My anger turns to hatred  
WOH, OH, AH, OH, It's time to...  
Say good bye, It's a horror  
Memories, Nothing's harder

OOOOOH, AAAH, OOOOOH, The horror of it all  
The horror of it all, I'm gonna break  
The horror of it all, Tell me why  
You're not supposed to question  
but why's there so much pain  
When someone's taken from you  
What can you do or say?  
WOH, OH, OH, My hatred turns to violence  
WOH, OH, AH, OH, It's time to...  
Say good bye, It's a horror  
Memories, Nothing's harder  
OOOOOH, AAAH, OOOOOH, The horror of it all  
The horror of it all, I'm gonna break  
The horror of it all, Tell me why

The horror of it allThe horror of it all  
The horror of it all  
The horror of it all  
Say good bye it's such a horror  
My memories there's nothing harder  
Anger and hatred fill the page  
So smash the walls it's time to rage
