Defend Avenge

Waking on a bed of nails Dying wind through shredded sails Can you hear me when I shout And nobody knows what I'm talking about What can I do? I'm trying to figure it out Right here right now Teaching me how Kill all the ends it's your cold black revenge Mark my words Defend avenge Break till it bends it's a means to an end Defend avenge You're all gonna get what you fuckin' deserve Defend avenge Your indifference abounds Everywhere fence-sitting clowns Harvesting the seeds of doubt And nobody knows what I'm talking about

What can I do? I'm trying to figure it out Right here right now Teaching me how
