

## Metal Thrashing Mad

Anthrax

Racing down the road  
In a street machine of steel  
Gears are jammed in full  
I'm the madman at the wheel

Got my foot pinned to the floor  
You can feel the engine roar  
I got thunder in my hands  
I'm metal thrashing mad, yeah  
Metal thrashing mad, yeah

Driving like a maniac  
Can't go any faster  
Burning up the road  
Headed for disaster

Got my foot pinned to the floor  
You can feel the engine roar  
Got thunder in my hands  
I'm metal thrashing mad

Racing down the road  
In a street machine of steel  
Gears are jammed in full  
I'm the madman at the wheel

Got my foot pinned to the floor  
You can feel the engine roar  
Got thunder in my hands  
I'm metal thrashing mad
