

# Random Acts of Senseless Violence

Anthrax

Shut up, don't pass the blame  
The same god-damn thing  
Just the name's have changed  
On the day you were busted you forgot the line  
Don't do the crime if you can't do the time  
An animal's acting instinctively  
Glorified murderer, insanity  
Do you think I'd kill you just count to one  
You're the coward, with the gun

Yeah, you thought you knew me  
Yeah, you hardly knew me  
You don't know me  
I know I shouldn't care  
My crazy sense of right and  
wrong that can't be made to  
break this, break this, break this

I see something wrong and  
I fix it with my hands  
I walk a thin blue line, this cross I came to bear

So now you're dead well wha'dya know  
And am I sorry no, I don't think so  
They wanted sympathy now that's a bit much  
How much did you show, how much  
Take the value for one human life  
And place it all right down on a roll of the dice  
And a one, two three for the pain you bring  
I'm the bird without the left wing

Yeah, you thought you knew me  
Yeah, you hardly knew me  
You don't know me  
I know I shouldn't care  
My crazy sense of right and  
wrong that can't be made to  
break this, break this, break this

I see something wrong and  
I fix it with my hands  
walk a thin blue line, this cross I came to bear,  
when, you die

Random acts of senseless,  
Random acts of senseless  
Random acts of senseless,  
Random acts of senseless,  
Violence

I see something wrong and  
I fix it with my hands  
I walk a thin blue line, this cross I came to bear

I see something wrong and  
I fix it with my hands  
I walk a thin blue line and

I'll be the one who laughs when, you die
