She was showered in money
she was showered in jewels
but her dad beat on her every day and night
and there was nothing she could do
she cut her wrists at 17
everyone wondered why
she had it all she was rich and pretty
but alone each night she'd cry
she found it now
she found the meaning of life
your only born so you can die

so you can die (3x)

you find the meaning of life
your only born so you can die
you find it now
you find the meaning of life
your only born so you can die

so you can die (3x)
