

Our thoughts and our lives controlled
by pocket books of rich politicians,
like a rich daddy warbux
they pay for the deaths of those
who speak of revolution
while they keep us at each other's throats
while we still pay their tax notes revolting against
the few the rich,
the bigoted few
they pay for the deaths of those
so we're revolting against
the few our thoughts and our lives controlled
by pocket books of rich politicians,
like a rich daddy warbux
they pay for the deaths of those
who speak of revolution
while they keep us at each other's throats
while we still pay their tax notes stand up
don't fall
don't live
don't die for them revolting... revolting against the few... th
e few...
