

punk rock?!?!?!
isn't that the type of music
where kids cut each other with
razor blades and knives?

"you guys were so awesome tonight.
well actually, i'm so drunk
i can't remember your set,
but you're my favorite band...ha-ha"

"right on", that's the phrase,
to the fucked up stupid things you say,
we say: "right on! right on! right on! right on...!"

"you know, if you guys think america's so bad,
why don't you move to russia?"

"what do you mean you don't drink?
drinking's my entire life.
you've gotta start drinking!"

"right on", that's the phrase,
to the fucked up stupid things you say,
we say: "right on! right on! right on! right on...!"

"anti-flag?
that doesn't mean anti the american flag,
does it...?"

right on!!!

"right on", that's the phrase,
to the fucked up stupid things you say,
we say: "right on! right on! right on! right on...!"
