

## Tearing Everyone Down

Anti-Flag

I thought I'd begun, to see a change  
But the more things change, the more they stay the same  
Back stabbing and name calling, the trademarks of your act  
You talk and talk of unity, but divide with your attacks

(You say)

I'd like to see a change  
I'd like to see a change  
I'd like to see a change, but I'm too busy...  
Tearing everyone down  
Tearing everyone down  
Go!

All us kids, we try to make a change  
Some kids start a band, others start a zine  
YOU!!!, no matter what your path  
You throw a curve in what could be achieved,  
Then give up and move onto some other thing

(You say)

I'd like to see a change  
I'd like to see a change  
I'd like to see a change, but I'm too busy...  
Tearing everyone down  
Tearing everyone down

Take a break  
from your fights,  
try to open your mind tonight  
When you feel  
that's complete  
then we can tackle this society!!!

You may not like  
everything in life I do...  
but that doesn't mean  
I'm not trying to change  
the same problems as you

(You say)

I'd like to see a change  
I'd like to see a change  
I'd like to see a change, but I'm too busy...  
Tearing everyone down  
Tearing everyone down  
Tearing everyone down (down!) down! (down!) down! (down!)  
Tearing everyone down (down!) down! (down!) down! (down!)  
Tearing everyone down
