Our lives reflect tv sitcoms and tragedies  
Like a bad joke, i ask, "how many of you don't see? and just how many  
How many of you swallow the lies?  
How many of you do not realize?"

Gung ho and true - to the stars and stripes  
they fuckin' brainwashed you, to do their bidding  
and like a flock of sheep - with wool over your eyes  
you never stop to question - you just fall into line

the media's a business, that provides entertainment  
their bottom line: money, and stories that will make it...  
so they run with stories, that promotes the lies  
to keep the ratings coming, wealth from promoting world strife

life must be so easy, when you don't have to think  
black and white like printing, from the newspaper's ink  
i wish i had the chance, to reveal the lies  
but you're so fucking brainwashed, would it even help to try...  
TO GET THROUGHT... TO YOU!?!?

to get through, through, through, through, through, through...  
to get through to you!
