

## We've Got His Gun

Anti-Flag

Dad keeps a gun in the drawer in his room,  
My best friend is coming over to play  
yeah yeah  
We got his gun  
We're having fun  
Tryin to find where the bad guys are  
i pull the trigger and shoot my friend  
oh no

oh no (4x)

run in the house grab the phone and call for help  
they said "hold on, we'll be right there"  
yeah  
now help has come  
they got the gun  
try to bring him back to life  
but its too late he is dead  
oh no

oh no (4x)

I've watched the news  
For many days  
this happens every week  
this happens in your town  
dont keep a gun in your house  
dont keep a gun in your house

oh no (4x)
