

"Hello Mrs Shaw could I borrow your lawn mower?"  
"or parts of your body?"

Why, why me  
Why am I so lonely?

I'm an animal, I'm a sexual pervert  
An animal, I'm a living abortion  
An animal, I'm nobody's hero  
An animal, I'm your next door neighbour  
Everybody hates me, why am I so ugly

I'm an animal, I'm a sexual pervert  
An animal, I'm a living abortion  
An animal, I'm nobody's hero  
An animal, I'm your next door neighbour  
Everybody scorns me, my wife she doesn't know me

I'm an animal  
I'm an animal  
I'm an animal  
I'm an animal, I'm your next door neighbour  
Everybody shuns me, why am I so dirty?

I dream of naked ladies leaping over me  
I like peeping through holes in public lavatories  
I like domineering women in high thigh boots  
Tying me up..... Whipping me!  
Somebody help me, I've lost my sanity

I'm an animal, I'm a sexual pervert  
An animal, I'm a living abortion  
An animal, I'm nobody's hero  
I'm an animal, I'm your next door neighbour  
No sex for me  
You, you made me,  
You scared my body  
You degraded me  
You twisted my mind  
You made me unkind  
You fed on my cravings  
You persecuted me  
You don't understand.....you
