

# Big Yellow Moon

Anti-Nowhere League

She drives me out of my mind.  
Sending -the- signals down in my spine.  
These feelings stirring down in my soul.  
She's running fast, as fast as I go.

Big yellow moon - Now you were always there beside me.  
Big yellow moon - And you were always there to guide me.  
Big yellow moon - You were always there to hide me.  
Big yellow moon - And you were always there for me.

(?) in my mind - (Go out - Just around midnight)  
(?) left me for the last time (Go out - Just around midnight)  
I'm out on the streets going out of my mind (Go out - Just around midnight)  
Some are dead, some never die. (Go out - Just around midnight)

Big yellow moon - Well you were always there beside me.  
Big yellow moon - And you were always there to guide me.  
Big yellow moon - And you were always there to hide me.  
Big yellow moon - And you were always there for me.

Go out just around midnight (We're out, just around midnight)  
Out on the streets and under the lamplight. (We're out, just around midnight)  
The Animal's loose - the pressure is high! (We're out, just around midnight)  
Run for your life or someone will die. (We're out, just around midnight)

This big yellow moon - Well you were always there forever.  
Big yellow moon - Well you won't let me down (?)not ever(?)  
Big yellow moon - Well you and I will stay together.  
Big yellow moon - I've tasted blood and I - I want more!

Just after midnight (Big yellow moon, big yellow moon) (4x)
