

Bitter and Twisted

Anti-Nowhere League

You got something to say?! Don't bleed it, say it! Tell me about it brother.

Bitter and twisted - That's what you are.
You're bitter and twisted - Oh what a star. Oh what a star!
Let's hear it money man!

Well my country
And I'm in the hunting set,
And my car is worth a fortune, 'cuz I
And with money I can buy, a copper or a judge,
And I never a penny in tax, and I never bloody win, hahaha

Bitter and twisted - That's what you are.
You're bitter and twisted - Oh what a star. Oh what a star!
I only wanna play my guitar! Hit me with it bum boy!

And I'm having so much fun with my boyfriend on the beach.
Gay parties and gay marches, well we always have a scream.
Well all you guys, you're missing out on lots of cocky fun.
You are the minority and we will overcome, hehehe.

Bitter and twisted - That's what you are.
You're bitter and twisted - Oh what a star. Oh what a star!

Well I've got so much cash, and my kids have all they want.
And I bought a house in Spain, 'cuz I always cost a bomb.
And I'm looking at the neighbours, and they're wishing they were me.
'Cuz I'm a sophisticated businessman, ha,
Bitter and twisted - That's what you are.
You're bitter and twisted - Oh what a star. Oh what a star!

Na, nana - Na, nana
