

# I Hate People (Live)

Anti-Nowhere League

God I wish that I could hide away  
And find a wall to bang my brains  
I'm living in a fantasy, a nightmare dream....reality  
People ride about all day  
In metal boxes made away  
I wish that they would drop the bomb  
And kill these cunts that don't belong

I hate people  
I hate the human race  
I hate people  
I hate your ugly face  
I hate people  
I hate your fucking mess  
I hate people  
They hate me

My mother thinks that I am a jerk  
Because I hate my bleeding work  
Be like your daddy he's sincere  
But don't be true .....or you'll be queer  
I'm working at my 9 to 5  
with boring cunts that give me jibe  
their talking of the love they give  
they never give.....they never give

I hate people  
I hate the human race  
I hate people  
I hate your ugly face  
I hate people  
I hate your fucking mess  
I hate people  
They hate me

God I wish that I could hide away
