

We Are the League

Anti-Nowhere League

Another boring night and I'm feeling pissed,
My heads fucked up and I'm in a mess
Too many drugs have made me high
I want to cause havoc, I want to die.

We are the League, with the extra man
We are the League, we are the anti band
So don't you say you're feeling bored
The League are here and we have scored

We are the League
We are the League
We are the League
The Anti Nowhere League

You criticise us, you say we're shit,
but we're up here and we're doing it
So don't you criticise the things we do
No fucker pays to go and see you.

We are the League and we are mad
We are the League and our music's bad
We'll fuck noise like you've never known
And make you wished you'd stayed at home

We are the League
We are the League
We are the League
The Anti Nowhere League

We hate the dogs, we hate the man,
We hate the things we don't understand
No time for love, cos that ain't class
If you don't fucking like it, stuff it up your arse.

We are the League and we are mean
We are the League and we're obscene
We don't give a toss for what you think
Cos all your views, they fucking stink

We are the League
We are the League
We are the League so don't fuck with the League!
