

The Big Fall Out

Anti-System

Four minute warning that's all we get
Before the bomb falls, a holocaust of death
Full blooded cities raised to the ground
Hear the sound of silence, the most deadly sound

Mutilated bodies no skin to see
It's all that's left after a radium spree
Hiroshima heroes they started it all
We've got to stop the next big fall

No more life to protest about
Now we've suffered the big fall out
No more life to protest about
Now we've suffered the big fall out

Mutilated bodies no skin to see
It's all that's left after a radium spree
Hiroshima heroes they started it all
We've got to stop the next big fall

No more life to protest about
Now we've suffered the big fall out
No more life to protest about
Now we've suffered the big fall out, out, out, out, out, out, o
