

got off the plane completely smashed  
right in the center of that city  
where I like to get totally sloshed  
so full of bite - it's never pretty

I feel safe, cause I've got nothing in my pockets

even judge Dredd's eyeballs fell out of their sockets

the wind don't blow here - he's too afraid  
skeletons hide in every closet  
my one last dime comes to my aid  
helps me survive, avoid the onset

I feel safe, cause I've got nothing...

so you ain't seen this nasty place  
squirts just like you - they don't know shit  
they disappear without a trace  
you wanna go there? - death's gonna hit  
so you ain't seen this nasty place  
squirts just like you - they don't know shit  
they disappear without a trace  
you wanna go there? - death's gonna hit

With the coming of dawn, the angles urged Lot, saying,  
"Hurry! Take your wife and your two daughters who are here,  
or you will be swept away when the city is punished."  
When he hesitated, the men grasped his hand and the hands of his wife  
and of his two daughters, and led them safely out of the city,  
for the LORD was merciful to them.  
As soon as they had brought them out, one of them said,  
"Flee for your lives! Don't look back, and don't stop anywhere in the plain!  
Flee the mountains or you will be swept away!"

I know the boss who pulls the strings  
"numero uno" - he has no pitty  
i'm gonna play him but if he wins  
my corps will fertilize Snake City

I feel safe, cause I've got nothing...
