

Dropout

Antidote

You think the world is a bad place
You say you're out of luck
But you just make me wonder
What made you decide to be a

Dropout dropout what you're gonna do about it
Dropout dropout who needs you

Complaining and denying
Your life is a dead end
Too afraid to make some changes
So it stays like this and you will stay a

Dropout dropout what you're gonna do about it
Dropout dropout who needs you
