

Parachute

Antifreeze

I am sick of this stupid world telling me what to do
I wish I could have some time when I am all alone
I know you don't want to hear me sing this stupid song
but if you listen to my bullshit, you will learn something is wrong

I'm tired of walking down the line with the wrong pair of shoes
It's just like you jump without a parachute, you have nothing to lose
oh no

I am sick of standing in front of you, sweating off my balls
I wish we could be so good, like NoFX or ALL
I know you don't want to hear me playing my guitar
the only reason I know how to play is 'cause i f**ker named Lars
