

## Izaak

## Antigama

Isaac wasn't a cool guy  
He liked to quarrel and dispute  
This argument doesn't make sense  
I will supply you with the proof  
But this is not all  
There is yet another case  
Newton would explain something  
He'd like to convince us  
You are a crooked equation so go home  
Now we have the methods ourselves  
And ther's nothing to say
