

# Mysteries Of Love

Antony and the Johnsons

Sometimes  
A wind blows  
And you and I  
Float  
In love  
And kiss forever  
In a darkness  
And the mysteries of love  
Come clear  
And dance  
In light  
In you  
In me  
And show  
That we  
Are Love

Sometimes  
A wind blows  
And you and I  
Float  
In love  
And kiss forever  
In a darkness  
And the mysteries of love  
Come clear  
And dance  
In light  
In you  
In me  
And show  
That we  
Are Love
