

# Kingdom Come

Anubis Gate

Fear of the unknown day  
That comes alive tomorrow  
Fear of the voices telling you  
What you ought to know?

Kingdom come  
The secret lies within  
Kingdom come  
When you believe, you win  
Kingdom come  
Your demons can't resist  
Kingdom come  
Happiness

Fear that your life will never be  
What you imagined?  
Fear that your thoughts will throw you up  
Against the wall, my friend?

Kingdom come  
The secret lies within  
Kingdom come  
When you believe, you win  
Kingdom come  
Your demons can't resist  
Kingdom come  
Happiness

Wasting your time  
Your thoughts can pull you down  
Wasting your time  
Reach out, accept your crown  
Wasting your time  
You've put your life on hold  
Wasting your time  
Let go, just watch it unfold

Kingdom come  
The secret lies within  
Kingdom come  
When you believe, you win  
Kingdom come  
Your demons can't resist  
Kingdom come  
Happiness

Wasting your time  
Your thoughts can pull you down  
You've put your life on hold  
Just watch it unfold
