

# I Wanna Be There

Anuheia

Everywhere you go,  
People wanna know just who you are  
Said who you are, said who you are, said who you are  
Everywhere you stop, everywhere you rest  
They wanna talk to you, they wanna talk to you  
They wanna talk to you, they wanna talk to you  
You're spreading all your loving  
And now there's nothing left for me  
Making people smile reuniting the diversity  
And I wanna be there, I wanna be there  
I wanna be there, yeah

The weight of the world, as I wait for you  
Hurry up and come, I wanna talk to you  
Na na na na na na, na na na na na  
Singing yeah, yeah  
I get real ...when I hear these blues  
Listen to our song as I think of you  
Na na na na na na, na na na na na  
Singing yeah, yeah, oh yeah, yeah

Everywhere you play, everywhere you play  
They wanna move their feet, they wanna move their feet  
They wanna move their feet, they wanna move their feet  
Everywhere you smile, everywhere you live you light up the room  
And I'm stumbling, thinking of being without you  
You're spreading all your loving  
And now there's nothing left for me  
Making people smile reuniting the diversity  
And I wanna be there, I wanna be there  
I wanna be there, yeah

The weight of the world, as I wait for you  
Hurry up and come, I wanna talk to you  
Na na na na na na, na na na na na  
Singing yeah, yeah  
I get real ...when I hear these blues  
Listen to our song as I think of you  
Na na na na na na, na na na na na  
Singing yeah, yeah, oh yeah, yeah.
