

Ultimate Insult

Anuheia

You say its over
Then you come running right back to me
Put a leash around my neck why don't you babe
You got so much control of me

Summer rain
Winter pain
All this drama's kicking up a landslide
I really have nothing more to gain, no
And what you're doing to me baby I
I just can't explain, no

But it's the ultimate the ultimate
The ultimate insult...to me
Yes its the ultimate the ultimate
The ultimate insult

You know what it takes
To make me scream up in your face and
You know what it means
To cool me down like a fresh breeze
You got you got you got so much control of me, yeah

Autumn rain
Springtime pain
My emotion's like a hurricane
I have nothing more to gain, no
And what you're doing to me baby, I
I just can't explain, no
But it's the ultimate the ultimate the ultimate insult to me
Yes it's the ultimate the ultimate the ultimate insult...

Up and down and up and down
Just like the motion of the ocean
You take my emotions on a ride
You take me high you make me fly
You make me wanna tell you goodbye

Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh...eah

Season's rain
So much pain
You boil the blood inside my vein
I have nothing more to gain, no
But what you're doing to my heart
Is the ultimate insult
Singing it's the ultimate the ultimate
The ultimate insult...
It's the ultimate the ultimate insult...
To me
