

# Ultimate Insult

Anuheia

You say its over  
Then you come running right back to me  
Put a leash around my neck why don't you babe  
You got so much control of me

Summer rain  
Winter pain  
All this drama's kicking up a landslide  
I really have nothing more to gain, no  
And what you're doing to me baby I  
I just can't explain, no

But it's the ultimate the ultimate  
The ultimate insult...to me  
Yes its the ultimate the ultimate  
The ultimate insult

You know what it takes  
To make me scream up in your face and  
You know what it means  
To cool me down like a fresh breeze  
You got you got you got so much control of me, yeah

Autumn rain  
Springtime pain  
My emotion's like a hurricane  
I have nothing more to gain, no  
And what you're doing to me baby, I  
I just can't explain, no  
But it's the ultimate the ultimate the ultimate insult to me  
Yes it's the ultimate the ultimate the ultimate insult...

Up and down and up and down  
Just like the motion of the ocean  
You take my emotions on a ride  
You take me high you make me fly  
You make me wanna tell you goodbye

Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh...eah

Season's rain  
So much pain  
You boil the blood inside my vein  
I have nothing more to gain, no  
But what you're doing to my heart  
Is the ultimate insult  
Singing it's the ultimate the ultimate  
The ultimate insult...  
It's the ultimate the ultimate insult...  
To me
