Cut Loose

The word is out That rock is in And everyone is banging heads again You and your mates You want it all You take your place at the front of the concert hall The house lights dim The stage is set You're gonna take all that you can get All you can get Let's go crazy Let's go insane Me and the boys are rockin out again Cut loose Everybody cut loose Cut loose Everybody cut loose Turn it up Start to grind It's got the power to blow your mind Raise a fist Cuts through the air Scream and yell, show me that you care Show me you care Let's go crazy Let's go insane Me and the boys are rockin out again Cut loose Everybody cut loose Cut loose Everybody cut loose Come feel the heat And energy Electric force sets your spirit free Let it out No holding back Cutting loose, There's no turning back No turning back Let's go crazy Let's go insane Me and the boys are rockin out again Cut loose Everybody cut loose Cut loose Everybody cut loose
