Killer Hill

High gear rider Take me to the top Get me to the summit I'm never gonna stop Feel my body pumping Carrying my load Taking the incline Getting ready to explode

Takin' the hill Just for the thrill Honin' my skill Up and down on Killer Hill Killer Hill Take me where I wanna go In for the thrill Take me where I wanna go

Rock shock and cattle head Take the terrain Sopping in sweat My breath to regain Feel the breaking calipers Squeezing on the rim Super power riding Keeps me hard and fit for trim

Killer Hill Killer Hill

Take me where I wanna go In for the thrill Take me where I wanna go Killer Hill Take me where I wanna go In for the thrill Take me where I wanna go Killer Hill Take me where I wanna go Killer Hill
