Anvil

Climb aboard, we're sailing to this wonderland
Hurry now, take this ride while you can
Come and see inside
You'll be satisfied

Be aware, there'll be some swells along the way
Nightly storms, separate the day of grey

Follow rolling tide
Join us on this ride

On and on, then end is always out of reach
That's OK, no hurry to get on the beach
Come and see inside
You'll be satisfied
