

Believe Me I Believe

Anya Marina

There's nothing I can do
There's nothing I can do to change your mind now

There's nothing left to lose
change your mind now

there's nothing I can do, so I just bide my time now
I can do anything I set my mind 'round, mind 'round

If no one shows it to be true
believe me I believe in you

I can do, do it anytime now
and you won't have a clue just how I bide my time now

If no one shows it to be true
believe me I believe in you

I can do anything I set my mind 'round
I can do, do it anytime now

If no one shows it to be true
believe me I believe in you

and no, there's nothing you can do
the things I'm gonna do to
things I wanna do to
things I wanna do to you I can do...

there's nothing you can do
to make me change my mind now
change my mind now

If no one shows it to be true
believe me I believe in you

I can do
