There's nothing I can do
There's nothing I can do to change your mind now

There's nothing left to lose change your mind now

there's nothing I can do, so I just bide my time now I can do anything I set my mind 'round, mind 'round

If no one shows it to be true believe me I believe in you

I can do, do it anytime now and you won't have a clue just how I bide my time now

If no one shows it to be true believe me I believe in you

I can do anything I set my mind 'round I can do, do it anytime now

If no one shows it to be true believe me I believe in you

and no, there's nothing you can do the things I'm gonna do to things I wanna do to things I wanna do to you I can do...

there's nothing you can do to make me change my mind now change my mind now

If no one shows it to be true believe me I believe in you

I can do
