

## In The City

Anybody Killa

Somewhere out on that horizon  
Out beyond the neon lights  
I know there must be somethin' better  
But there's nowhere else in sight  
It's survival in the city  
When you live from day to day  
City streets don't have much pity  
When you're down, that's where you'll stay

In the city (what, what, whoop, whoop, hey, hey)  
In the city (what, what, whoop, whoop, hey, hey)  
In the city (what, what, whoop, whoop, hey, hey)  
In the city

I know there must be somethin' better (far away from the neon sky)  
I know there must be somethin' better (far away from the city lights)  
I know there must be somethin' better (far away from the neon sky)  
I know there must be somethin' better (I need a blunt so I can get high)

I was born here in the city  
With my back against the wall  
Nothing grows, and life ain't very pretty  
No one's there to catch you when you fall  
Somewhere out on that horizon  
Far away from the neon sky  
I know there must be somethin' better  
And I can't stay another night

In the city (what, what, whoop, whoop, hey, hey)  
In the city (what, what, whoop, whoop, hey, hey)  
In the city (what, what, whoop, whoop, hey, hey)  
In the city

I know there must be somethin' better (far away from the neon sky)  
I know there must be somethin' better (far away from the city lights)  
I know there must be somethin' better (far away from the neon sky)  
I know there must be somethin' better (I need a blunt so I can get high)
