

## Blue Little Rose

Anything Box

Blue little rose  
You are crying  
I am trying  
To let you know that I love you so

Sweet little rose  
Let your petals sway  
On your lonely days  
In the wind of my heart

I can help you see  
What it's like to be  
Taken from the garden  
Where you grew up with me

I can set you free  
If you just run to me  
All the thorns will go away  
If you stay with me  
Little rose
