

## Do You Hear Me Anymore

Anything Box

Do you hear me anymore?  
Do you hear me anymore?

Staring at the sea I think of you.  
How you stole the secrets of my heart.  
Everytime we speak, we say nothing.  
Everytime I say....hey.

Do you hear me anymore?  
Do you hear me anymore?

Never have I seen such greyness pass.  
Passing over everything I love.  
Every part of me, is losing ground.  
Everytime you say...hey.

Do you hear me anymore?  
Do you hear me anymore?

We live in the same house...  
We sleep in the same room...  
We laugh together...  
As it fades away.  
As it fades away.

Do you hear me anymore?  
Do you hear me anymore?  
Do you hear me anymore?  
Do you hear me anymore?  
Do you hear me anymore?  
Do you hear me anymore
