

The Ravine

Anything Box

In the ravine
I found the answer to everything
In your words
In your eyes, in your sigh
If we could wish ourselves away
Would you love me?
If we could kiss our fears away
Oh, could we?
I would do anything for you
I would go anywhere for you
But the ravine is where I live
The ravine's my place to give
And so I must stay
And so I must stay
La, la la, la la, la la, la la
La, la la, la la, la la, la
La, la la, la la, la la, la la
La, la la, la la, la la, la la
