

## Wedding Day

Anything Box

Looking out of my window  
I could swear I'll feel your hand  
Holding mine  
On your wedding day

Every time I think of you  
I always want to see  
The way that you cared for me  
On your wedding day

I know you are far away  
Somewhere I cannot go  
I don't really care  
My life's been fair

I can remember all those  
Things you said to me  
You told me to be happy  
On your wedding day

I know what to do  
I have to find you  
Tell you I was thinking of you  
I know what to do  
I have to find you  
Tell you that I'm happy for you  
On your wedding day
