

Marie Jolie

Aphrodite's Child

Sometimes I feel
That I'm all alone
And I wonder what I'd do
If I couldn't turn to you
You are all my life
And more
take this love I give

The seasons change
But love remains
Growing like a rose in spring
All the summer sun can bring
I will find when I'm with you
You are all I have

I know there'll be
Sad times for me
But as long as you are there
I know that I'll need not to care
Love is everywhere you are
My life is the girl

Marie Jolie

But if you keep your love from me
I will have no way to turn
I will find it hard to learn
Living life without a dream
Which way will I be
