

End of Me

Apocalyptica

Rosaries
Left under the mattress all those
Memories
Who could bear the witness
As you slip into oblivion
Use it like a weapon

And I'm left to bleed,
Waiting for the moment when you've had your fun
A loaded gun

Take away your broken misery
I can't always erase your memory
This Love
This Love
Is gonna be the end of me

Everything I gave is wasted
I'm the one whose suffocated
This Love
This Love
Is gonna be the end of

Can't resist
Poisoning the message just a
Narcissist
Trapped inside the wreckage
And the sympathy I had is gone
Dead in by the ceremony

Drama queen
Stand behind your rampart
As your kingdom falls
All because

Take away your broken misery
I can't always erase your memory
This Love
This Love
Is gonna be the end of me

Everything I gave is wasted
I'm the one whose suffocated
This Love
This Love
Is gonna be the end of me

Your rescue
My undo
I'm not the one to save you
I'm empty
Completely
I'm drowning in your shadow

Take away your broken misery
I can't always erase your memory
This Love

This Love
Is gonna be the end of me

Everything I gave is wasted
I'm the one whose suffocating
This Love
This Love
Is gonna be the end of me

I can't chase away your ghost
Inside it only grows
Nothing left but misery
This will be the end of me

All the shit that you created
All the scars you celebrated
Couldn't take away your pain
Couldn't resurrect your name

This love will be the end of me
This love will be the end
