

# End of Me

## Apocalyptica

Rosaries  
Left under the mattress all those  
Memories  
Who could bear the witness  
As you slip into oblivion  
Use it like a weapon

And I'm left to bleed,  
Waiting for the moment when you've had your fun  
A loaded gun

Take away your broken misery  
I can't always erase your memory  
This Love  
This Love  
Is gonna be the end of me

Everything I gave is wasted  
I'm the one whose suffocated  
This Love  
This Love  
Is gonna be the end of

Can't resist  
Poisoning the message just a  
Narcissist  
Trapped inside the wreckage  
And the sympathy I had is gone  
Dead in by the ceremony

Drama queen  
Stand behind your rampart  
As your kingdom falls  
All because

Take away your broken misery  
I can't always erase your memory  
This Love  
This Love  
Is gonna be the end of me

Everything I gave is wasted  
I'm the one whose suffocated  
This Love  
This Love  
Is gonna be the end of me

Your rescue  
My undo  
I'm not the one to save you  
I'm empty  
Completely  
I'm drowning in your shadow

Take away your broken misery  
I can't always erase your memory  
This Love

This Love  
Is gonna be the end of me

Everything I gave is wasted  
I'm the one whose suffocating  
This Love  
This Love  
Is gonna be the end of me

I can't chase away your ghost  
Inside it only grows  
Nothing left but misery  
This will be the end of me

All the shit that you created  
All the scars you celebrated  
Couldn't take away your pain  
Couldn't resurrect your name

This love will be the end of me  
This love will be the end
