End of Me

Apocalyptica

Rosaries
Left under the mattress all those
Memories
Who could bear the witness
As you slip into oblivion
Use it like a weapon

And I'm left to bleed, Waiting for the moment when you've had your fun A loaded gun

Take away your broken misery
I can't always erase your memory
This Love
This Love
Is gonna be the end of me

Everything I gave is wasted I'm the one whose suffocated This Love
This Love
Is gonna be the end of

Can't resist
Poisoning the message just a
Narcissist
Trapped inside the wreckage
And the sympathy I had is gone
Dead in by the ceremony

Drama queen Stand behind your rampart As your kingdom falls All because

Take away your broken misery
I can't always erase your memory
This Love
This Love
Is gonna be the end of me

Everything I gave is wasted I'm the one whose suffocated This Love
This Love
Is gonna be the end of me

Your rescue
My undo
I'm not the one to save you
I'm empty
Completely
I'm drowning in your shadow

Take away your broken misery
I can't always erase your memory
This Love

This Love
Is gonna be the end of me

Everything I gave is wasted I'm the one whose suffocating This Love
This Love
Is gonna be the end of me

I can't chase away your ghost Inside it only grows Nothing left but misery This will be the end of me

All the shit that you created All the scars you celebrated Couldn't take away your pain Couldn't resurrect your name

This love will be the end of me This love will be the end
