

There is something in the way  
You're always somewhere else  
Feelings have deserted me  
To a point of no return  
I don't believe in God  
But I pray for you

Don't you slip away from me  
It's you I live for  
Don't you leave no  
Don't you slip away from me  
I'm vulnerable to your love

Don't let them get you  
Stay away from the sun  
It's too bright for you  
Your eyes getting blurry  
Stay I'm crying your name  
I don't believe in God  
But I pray for you

Don't you slip away from me  
It's you I live for  
Don't you leave no  
Don't you slip away from me  
I'm vulnerable to your love

There is something in the way  
You're always somewhere else  
Feelings have deserted me  
To a point of no return  
So the light fades out  
And you're so close to losing

Don't you slip away from me  
It's you I live for  
Don't you leave no  
Don't you slip away from me  
I'm vulnerable to your love

Don't you slip away from me  
It's you I live my life for  
No don't leave

Don't you slip away from me  
I'm vulnerable to your love  
Don't you slip away
