

## Slow Burn

### Apocalyptica

I burn for you every time I hear your name  
When I think I see your face, I know, it must be madness  
I feel the sting striking at me like a match  
Anything to bring you back - if only for a moment

I can feel your slow burn growing in me  
Everywhere I go, you're right there with me... holding on, ever  
long  
Wish I could forget I could not remember, all I have left is th  
e ash and embers  
Permanent. Smoldering

Just like a slow burn, stay with me forever  
I can't let you ever fade away  
Just like a slow burn, say you'll never let me down and never g  
o out

I fall apart like paper put to flame  
The life we had reduced to ashes right before us  
Every hurtful word, burned into my side  
Much to hard to speak, scarred to deep to hide

I can feel your slow burn growing in me  
Everywhere I go, you're right there with me... holding on, ever  
long

Just like a slow burn, stay with me forever  
I can't let you ever fade away  
Just like a slow burn, say you'll never let me down  
and never go out, my slow burn, burning me down

I walk the fire - I feed the flame  
I walk the fire - I feed the flame  
I'd walk the fire - I'd feed your flame... feed your flame

Just like a slow burn, stay with me forever  
I can't let you ever fade away  
Just like a slow burn, lay with me forever

Our light it shines forever, never fades away  
Just like a slow burn, stay with me forever  
I can't let you ever fade away  
Just like a slow burn, say you'll never let me down  
and never go out, my slow burn, burning me down
