Pain In Any Language

I'm gonna love you - till you love me then no more  
You're gonna need me - like I need you right now  
I'm gonna screw you - for all you're worth and no more  
You're gonna need me - it's the same in any language

The pain in any language is the same in any language

I'm gonna love you - till you love me then no more  
You're gonna need me - like I need you right now  
You're gonna need me - it's the same in any language

The pain in any language is the same in any language

I'm gonna love you - till you love me then no more

It's the same in any language  
The pain in any language  
Same in any language

I'm gonna love you - till you love me then no more

Look, you're gonna need me

They won't love you, like I love you  
They won't love you, like I do  
They won't love you, like I love you  
They won't love you, like I do
