

## White Man's Throat

Apollo 440

Set the bird  
Get die like I wanna to  
With my hands around the white man's throat  
Diggin'

Fly dip die  
Yeah, world, yeah  
It's the world

Like it's at(?) beginning  
Get die the way he wanna to  
Hands wrapped around the white man's throat  
Diggin' World  
Diggin' World  
Fly World  
Dip die  
World World
