## **Fade to Black**

## **Apoptygma Berzerk**

Life it seems will fade away
Drifting further every day
Getting lost within myself
Nothing matters, no one else
I have lost the will to live
Simply nothing more to give
There is nothing more for me
Need the end to set me free

No one but me can save myself but it's too late Now I can't think, think why I should even try Yesterday seems as though it never existed Death greets me warm, now I will just say goodbye

Things not what they used to be Missing one inside of me Deathly lost, this can't be real Cannot stand this hell I feel Emptiness is filling me To the point of agony Growing darkness taking dawn I was me but now he's gone
