

Nothing Else Matters

Apoptygma Berzerk

So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
'cause nothing else matters
Never opened myself this way
Life is ours, we do it our way
All these words I just don't say
'cause nothing else matters
Never cared for what they do, no
Never cared for what they know, no
But I know
So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
'cause nothing else matters
Never cared for what they do, no
Never cared for what they know, no
Never cared for what they do, no
But I know
Trust I seek but I find in you
Every day for us something new
Open mind for a different view
'cause nothing else matters, oh
So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
'cause nothing else matters
'cause nothing else matters
