In bottled up safety
In bottled up safety

Say the word tonight
Don't you let go
They won't get out this time

This is hard to say
Knowing in time
They come for you as well

In bottled up safety
In bottled up safety

Whose that turning off the world tonight?
Or have you might be right?
Maybe it should be done
Maybe it should be done

(Deadbeat)
In bottled up safety
(Deadbeat)
In bottled up safety

(Deadbeat)
In bottled up safety
In bottled up safety

(Deadbeat)
In bottled up safety
(Deadbeat)
In bottled up safety

(Deadbeat)
In bottled up safety
